When placing an order please note the following!
 *All background music is selected from a royalty free database. Licensed music may be provided to Captivate Video Tours if preferred.
 *All videos remain the copyright of Captivate Video Tours, and the customer relinquishes all image rights of participants and places contained in the video to Captivate Video Tours in perpetuity.
 * Captivate Video Tours may use the video in it's entirety for promotional purposes on it's own website.
 * Captivate Video Tours reserves the right to re-use any individual scenes, in isolation, in the making of other videos.
 * Captivate Video Tours will not re-use any complete video in it's original form except for the specific client by whom the film was commissioned and purchased, or on our own website and promotional marketing material.
 * Captivate Video Tours licenses the use of these video tours for the promotion and sale of property for the life of the listing. If the original listing agent loses the listing, they may sell or give their video tour to the new listing agent and may repost under the new MLS number.
